# FINANCIAL STATEMENTS

# YEAR ENDED DECEMBER 31, 2020

Independent Auditor's Report	Pages 1 to 2
Statement of Financial Position	3
Statement of Operations and Net Assets	4
Statement of Cash Flows	5
Notes to the Financial Statements	6 to 12

#### **Independent Auditor's Report**

To the Members and Board of Directors of Rainbow Railroad

#### **Qualified Opinion**

We have audited the financial statements of Rainbow Railroad (the "Organization"), which comprise the statement of financial position as at December 31, 2020, and the statements of operations and net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### **Basis for Qualified Opinion**

The Organization receives revenues from event ticket sales, fundraising activities and other contributions, the completeness of which are not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts reported by the Organization. Therefore, we are not able to determine whether, as at and for the year ended December 31, 2020, any adjustments might be necessary to revenues and excess of revenues over expenses reported in the statement of operations and net assets, or to assets and net assets reported in the statement of financial position. This same matter caused us to qualify our audit opinion on the financial statements as at and for the year ended December 31, 2019.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the ability of the Organization to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do

Those charged with governance are responsible for overseeing the financial reporting process of the Organization.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

#### **Independent Auditor's Report (continued)**

## Auditor's Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Organization.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Organization to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED DECEMBER 31, 2020

Rainbow Railroad (the "Organization") is an international organization with the mandate to help lesbian, gay, bisexual, transgender, queer and intersex (LGBTQI) individuals seek a safe haven from state sponsored or enabled violence by providing them with assistance in the form of information and emergency funding for travel and accommodation. The Organization was incorporated on February 19, 2013 under the Canada Not-for-Profit Corporations Act without share capital. The Organization is a registered charity under the Income Tax Act (Canada) and accordingly, is exempt from income taxes.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and are in accordance with Canadian generally accepted accounting principles. These financial statements have been prepared within the framework of the significant accounting policies summarized below.

## Revenue Recognition

The Organization follows the deferral method of accounting for contributions. Contributions include donations and grants. Unrestricted contributions are recorded as revenue when received or receivable if the amount can be reasonably estimated and collection is reasonably assured. Restricted contributions are deferred and recognized as revenue in the year in which the related expenditures are incurred.

Fundraising events income is recognized as revenue when the event takes place. All events are general fundraising events.

Investment income is recognized as income when earned and is comprised of interest, dividends and distributions, realized gains and losses from investment transactions and unrealized holding gains and losses related to investments.

Government assistance is recognized when the related expenses are incurred.

#### Financial Instruments

## (i) Measurement of financial instruments

The Organization initially measures its financial assets and financial liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instrument. Amounts due to and from related parties are measured at the exchange amount, being the amount agreed upon by the related parties.

The Organization subsequently measures all its financial assets and financial liabilities at amortized cost.

Financial assets and financial liabilities measured at amortized cost include cash, accounts receivable, accounts payable and accrued liabilities and loan payable.

# (ii) Impairment

Financial assets measured at amortized cost are tested for impairment when there are indicators of possible impairment. When a significant adverse change has occurred during the period in the expected timing or amount of future cash flows from the financial asset or group of assets, a write-down is recognized in net income.

#### NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED DECEMBER 31, 2020

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### Financial Instruments (continued)

## (ii) Impairment (continued)

The write down reflects the difference between the carrying amount and the higher of:

- the present value of the cash flows expected to be generated by the asset or group of assets;
- the amount that could be realized by selling the assets or group of assets;

When the events occurring after the impairment confirm that a reversal is necessary, the reversal is recognized in net income up to the amount of the previously recognized impairment. The amount of the reversal is recognized in income in the period that the reversal occurs.

#### Investments

Investments quoted in an active market are recorded at fair value. The quoted market price of investments is used to estimate fair value. Unrealized holding gains and losses related to investments are included in investment income.

## Contributed Services

Volunteers have contributed time and services to assist the Organization in the delivery of its services and other activities. Because of the difficulty of determining their fair market value, contributed services provided to the Organization are not recognized in the financial statements.

## Donations-In-Kind

Recognition is recorded in the financial statements to donations-in-kind that are used in the normal course of business when a reasonable estimate of value can be made. The Organization received in-kind donations from third parties in the year in an amount of \$NIL (2019 - \$NIL).

#### Allocation of Expenses

The Organization incurs general and administrative support services that are common to the administration of the Organization and its programs. These costs include salaries and benefits, rent and other administrative expenses. The Organization allocates these expenses based on utilized time as follows:

Fundraising - 35%
Programs - 56%
Operating and administration - 9%

#### NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED DECEMBER 31, 2020

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Capital Assets

The costs of capital assets are capitalized upon meeting the criteria for recognition as capital assets, otherwise, costs are expensed as incurred. The cost of capital assets comprises its purchase price and any directly attributable cost of preparing the asset for its intended use.

Capital assets is measured at cost less accumulated amortization and accumulated impairment losses.

Amortization is provided for, upon the commencement of the utilization of the assets, using methods and rates designed to amortize the cost of the capital assets over their estimated useful lives. The annual amortization rates and methods are as follows:

Computer software - 3 years straight line Furniture and equipment - 5 years straight line Computer hardware - 3 years straight line

Leasehold improvements - straight line over the term of lease

Capital assets is tested for impairment whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. If any potential impairment is identified, the amount of the impairment is quantified by comparing the carrying value of the capital assets to its fair value. Any impairment of capital assets is recognized in income in the year in which the impairment occurs.

An impairment loss is not reversed if the fair value of the capital assets subsequently increases.

# Foreign Currency Translation

Monetary assets and liabilities denominated in foreign currencies are translated into Canadian dollars at the rate of exchange prevailing at the year end. Revenues and expenses are translated from foreign currencies to Canadian dollars at the rate of exchange prevailing on the transaction date. Any resulting gains or losses are included in income for the year.

## Use of Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make judgments, estimates, and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosures of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. These estimates are based on information available as of the date of issuance of the financial statements. Actual results may differ materially from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised and in any future years affected.

#### NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED DECEMBER 31, 2020

#### 2. FINANCIAL INSTRUMENT RISK MANAGEMENT

Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The following disclosures provide information to assist users of the financial statements in assessing the extent of risk related to the Organization's financial instruments.

#### Credit Risk

Credit risk is the risk that one party to a transaction will fail to discharge an obligation and cause the other party to incur a financial loss. The Organization's main credit risks relate to accounts receivable. Management monitors the collection process closely and provides a provision when collection is in doubt. Management has included a \$NIL (2019 - \$NIL) provision for doubtful accounts receivable in these financial statements.

# Liquidity Risk

Liquidity risk is the risk that the Organization cannot repay its obligations when they become due to its creditors. The Organization is exposed to this risk mainly in respect of its accounts payable and accrued liabilities and loan payable. The Organization expects to meet these obligations as they come due by generating sufficient cash flow from operations.

#### Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk, interest rate risk and other price risk. The Organization is not exposed to significant interest rate risk.

#### Currency risk

Currency risk is the risk that the exchange rate that was in effect on the date that an obligation in a foreign currency was made to the Organization by a customer, or that an obligation in a foreign currency was entered into by the Organization to a supplier, is different at the time of settlement than it was at time that the obligation originated. As at December 31, 2020, accounts receivable of \$228,877 (2019 - \$14,350) are denominated in foreign currencies and converted into Canadian dollars. Foreign exchange gains and losses are included in net income.

#### Other Price Risk

The Organization is exposed to other price risk, which is the potential loss that the Organization may incur with respect to the changes in fair value of investments. The fair value of investments will fluctuate because of changes in market price whether those changes are caused by factors specific to the individual investments, or its issuers or factors affecting all similar investments traded in the market. The Organization is not exposed to significant other price risk.

## Change in Risk

There have been no changes in the Organization's risk exposure from that of the prior year, except for the loan payable (see note 7).

# NOTES TO THE FINANCIAL STATEMENTS

# YEAR ENDED DECEMBER 31, 2020

# 3. INVESTMENTS

Details of investments in marketable securities recorded at fair value are as follows:

	2020	2019
Cash held by broker Canadian equities Foreign equities	\$ 9,830 - 7,668	\$ 8 12,040 2,048
Total investments	\$ 17,498	\$ 14,096

# 4. CAPITAL ASSETS

Details of capital assets are as follows:

2020	Cost	cumulated nortization	Net Book Value
Computer software Furniture and equipment Computer hardware Leasehold improvements	\$ 7,666 36,641 30,291 59,952	\$ 7,666 22,003 25,342 48,087	\$ - 14,638 4,949 11,865
Balance - at end of year	\$ 134,550	\$ 103,098	\$ 31,452

2019	Cost	cumulated ortization	Net Book Value
Computer software Furniture and equipment Computer hardware Leasehold improvements	\$ 7,666 36,641 30,291 59,952	\$ 7,666 14,675 17,109 27,746	\$ 21,966 13,182 32,206
Balance - at end of year	\$ 134,550	\$ 67,196	\$ 67,354

Total amortization expense for the year was \$35,902 (2019 - \$37,023) which is included in operating and administrative expenses.

## NOTES TO THE FINANCIAL STATEMENTS

## YEAR ENDED DECEMBER 31, 2020

#### 5. DEFERRED CONTRIBUTIONS

Deferred contributions represent restricted funding received that is related to a subsequent period. Changes in the deferred contributions balance are as follows:

	2020	2019
Balance - at beginning of year	\$ 42,945	\$ 35,036
Amounts received during the year:		
La Fondation Emmanuelle Gattuso	50,000	-
Private Sponsorship	-	43,908
BVOR Sponsorship	-	23,996
	50,000	67,904
Add amounts in contributions receivable:		
Private Sponsorship	47,165	9,758
BVOR Sponsorship	69,230	8,450
	116,395	18,208
Less amounts recognized as revenue:		
La Fondation Emmanuelle Gattuso	27,000	-
Private Sponsorship	65,535	41,775
BVOR Sponsorship	78,498	36,428
	171,033	78,203
Balance - at end of year	\$ 38,307	\$ 42,945

# 6. RELATED PARTY TRANSACTIONS

The Organization's Board of Directors includes all of the members of the Board of Directors from its affiliated entity, Rainbow Railroad USA Inc. The Organization receives contributions from Rainbow Railroad USA Inc. for programming and administrative work. All transactions are measured at the exchange amount, which is the amount of consideration established and agreed to by the parties.

The following summarizes the Organization's related party balances and transactions:

Statement of Financial Position	2020	2019
Current assets Accounts receivable	\$ 226,141	\$ -
Current liabilities Accounts payable and accrued liabilities	\$ -	\$ 2,071
Statement of Operations	2020	2019
Revenues Donations - major gifts	\$ 916,126	\$ 805,717

#### NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED DECEMBER 31, 2020

#### 7. LOAN PAYABLE

During the year, the Organization received a non-revolving term loan under the Canadian Emergency Business Account program, in the amount of \$40,000, for the payment of payroll expenses.

During the initial term ending December 31, 2022, the Organization is not required to repay any portion of the loan and no interest shall accrue. If the Organization repays 75% of the loan by December 31, 2022, the remainder of the loan is eligible to be forgiven if certain terms and conditions are met.

During the extended term ending December 31, 2025, the loan bears interest at 5% per annum payable monthly.

## 8. GOVERNMENT ASSISTANCE

During the year, the Organization received \$171,383 in government assistance through the Canada Emergency Wage Subsidy program as a result of the COVID-19 pandemic. The amount is not subject to any specific future repayment terms or conditions; however, the Canadian Revenue Agency may require additional reporting in a future period to verify the Organization's eligibility and compliance with terms and conditions.

#### 9. LEASE COMMITMENT

The Organization has entered into a lease for office premises which expires on July 31, 2021. The annual minimum lease payments for the 2021 fiscal year are \$18,226.

#### 10. IMPACT OF THE GLOBAL PANDEMIC

The global pandemic of the virus known as COVID-19 led the Canadian Federal government, as well as provincial and local governments, to impose measures, such as restricting foreign travel, mandating self-isolations and physical distancing, and closing non-essential businesses. These measures have temporarily reduced certain operations of the Organization. The Organization continues to provide support through it's programs despite restrictions placed on international travel.

To aid with cash flows, the Organization applied for the Canada Emergency Wage Subsidy as described in note 9 and the Canada Emergency Business Account program described in note 7.

Due to the high level of uncertainty related to the outcome of this pandemic, it is difficult to estimate the financial effect on the Organization. No adjustments have been made in the financial statements for these events.
